What do I say regarding the Health Plan Network?

IMPORTANT:

In the US, when you call a doctor's office for an appointment or present your ID card to a provider, it is important for you to say: "My healthcare coverage utilizes the Multiplan PPO Network. Are you a Multiplan provider?"

DO NOT SAY:

"I have Seven Corners' Insurance" or "I use Seven Corners' Network" or "I have Liaison International insurance." Providers WILL NOT recognize this language and your coverage might not be accepted.
