

SUMMER WORK TRAVEL 2023 SEASON PROGRAM DATES BY COUNTRY

For External Use - Updated 12/14/2022

The program dates are windows of opportunity for program participation. Within this timeframe, students are still subject to their university's official academic break schedule. Even though the window of opportunity may be longer than four months, a participant may only participate a maximum of four months or the length of the period of their academic break, whichever is shorter. Due to the COVID 19 Pandemic these program start and end dates could change as conditions change in 2023. If a country is not listed on the chart, please contact the Office of Private Sector Exchange Designation at DesignationSWT@state.gov for guidance.
